

Unité 1 – Task:

Mon personnage célèbre préféré (My Favourite celebrity)

Complete the following **form**, imagining that you are a famous person. You can research your chosen celebrity online or be imaginative with the details for your answers!

- Create a digital profile **or** a drawing/poster of your favourite well-known person (any nationality).
- Write your profile in French.
- You should include a **photo** or a **drawing** of the person.
- Ensure that you chose the correct form: "je suis né" for male, or "je suis née" for female.
- Ensure that you write **complete sentences**, where possible.
- Ensure that each sentence begins with a **capital letter**.
- Ensure that the nationality **does not** have a capital letter.
- You may use the headings below as a guide as to what details you would like to give about your favourite celebrity. If you cannot find an exact detail, for example about his/her personality, you can write an **adjective** that you think might be relevant.
- Feel free to add colour/images/clipart/drawings/etc.

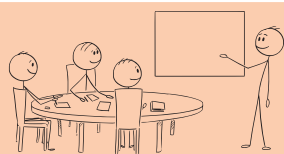

To prepare the task, you might like to pair up with a classmate or form a group.

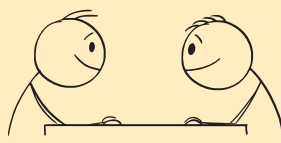

Consider where you might find information to help you. In your book, online, by asking a classmate or asking the teacher.

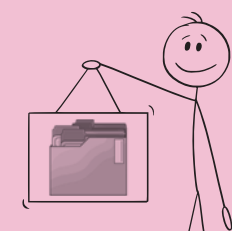

You might like to do a draft of the task first and get a classmate to review what you have written before you submit the task.

You could present this task orally in front of your group or your class. Each of your classmates could be presented with the form without the answers and you could read out the answers for them to fill in.

You could also present this as a dialogue. Your classmate could ask you the questions, e.g. "Quel est ton prénom?"

If you are happy with the completed task, you might wish to save this task into your **portfolio** and/or **hang it up** in your classroom.
