Tâche creative

Unité 4 – Task:

Une carte d'anniversaire (A birthday card)

Create a colourful **birthday card** for a friend or a member of your family.

- Create a **digital birthday card** (for example using Canva or Google Docs) **or** a **drawing**.
- Write your card in French.
- Address the person inside the card: **Cher** (for a male)/**Chère** (for a female)
- You should include a greeting:

  "Joyeux anniversaire !" ("Happy birthday!")

  "Bon anniversaire !" ("Happy birthday!")

  "Très bon anniversaire !" ("Very happy birthday!")

  "Bonne fête !" ("Happy birthday !")

 **"Passe une bonne journée !"** ("Have a great day!")

- Add images of gifts that your friend/family member might like and label the items in French.
- When you are finished with your card, also create a short text where you are describing your birthday, similar to the text below:

  "Aujourd'hui, c'est mon anniversaire. Je suis né(e) le 12 juin. Je suis très content(e) ! J'ai un gâteau et des cadeaux. Je fête mon anniversaire avec ma famille. C'est une belle journée."
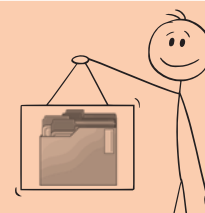

- Alternatively, draw and label a birthday scene.
- Research how people in France celebrate their birthdays. (This can be answered in English.)
- Research what song people in French-speaking countries sing to others on their birthday.

La prof t'aide

To prepare the task, you might like to pair up with a classmate or form a group.

You might like to do a draft of the task first and get a classmate to review what you have written before you submit the task.

If you are happy with the completed task, you might wish to save this task into your **portfolio** and/or **hang it up** in your classroom.
