

Unité 7 – Task:

Un sondage sur les passe-temps (A survey on hobbies)

Create a survey with findings and **news report** based on the interests of your classmates.

- Create a **digital questionnaire** (for example using Google Forms) **or a questionnaire sheet** asking your classmates about their hobbies and interests. (Different groups could chose different hobbies to ask about.)
- Ask students in your class or your school in **French**.
- You could include questions about **when** and for **how long** they do their hobby/hobbies.
- You could ask **with whom** they do their hobby.
- Ensure that you write a summary using **complete sentences**, where possible.
- Ensure that each sentence begins with a **capital letter**.
- You could use a **pie chart** or **bar chart** illustrating your findings.
- You could create a **profile** of an typical teenager and his/her hobbies and read out this profile in front of the class.
- You could include a **photo** or a **drawings** on the poster summarising your findings.
- You may use the **headings** below as a guide as to what details you would like to ask about.

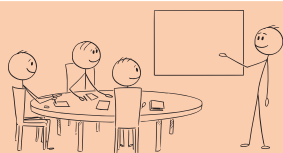

To prepare the task, you might like to pair up with a classmate or form a group.

Consider where you might find information to help you. In your book, online, by asking a classmate or asking the teacher.

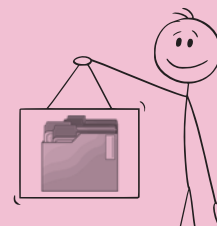

You might like to do a draft of the task first and get a classmate to review what you have written before you submit the task.

You could present this task orally in front of your group or your class. Each of your classmates could be presented with the form without the answers and you could read out the answers for them to fill in.

You could also present this task as a news report.

If you are happy with the completed task, you might wish to save this task into your **portfolio** and/or **hang it up** in your classroom.
