

Chapter 25 – The Electron

Learning Grid

The Electron	Questions	Answers
	Draw the basic structure of the atom.	
	What are cathode rays?	
	Define thermionic emission.	
	Draw a modern cathode-ray tube.	

The Electron	Questions	Answers
	Give four properties of cathode rays.	
	State two uses of cathode ray tubes.	
	Define the electronvolt and state its equation.
