To prepare for the task, you might like to search a French website that sells or reviews books, e.g. fnac.com, amazon.fr or babelio.com.

You might like to do a draft of the task first and get a classmate or your teacher to review what you have written.

You could present this task orally in front of your group or your class.

If you are happy with the completed task, you might wish to save this task into your **portfolio**.
